*"the largest exhibition
of erotic photographers and
photographs on the West Coast"*

"ON THE EDGE" Erotic Photography Exhibition

EROTIC ART EVENTS.COM, is a company that promotes and produces erotic art events including photography, paintings, sculpture and performance art in the San Francisco Bay Area.

The inaugural event, "ON THE EDGE", is a group exhibition of 17 erotic photographers exhibiting over 400 of their best cutting edge nude, sensual, glamorous, exotic, bondage, fetish and kinky erotic photographs.

The exhibition will be held at The Artists Alley gallery at 863 Mission St. (bet. 4th & 5th St.) in San Francisco, on February 11-13, 2011, just in time for Valentine's Day. It will be an excellent opportunity to purchase an erotic photo for a gift.

"This will probably be the largest exhibition of erotic photographers and photographs on the West Coast", said Peter Keresztury, the producer of Erotic Art Events.com and "ON THE EDGE".

Hours for the show are: Friday opening and reception party, 5-9pm; Saturday exhibition and reception party, 3-9pm; and Sunday exhibition, 12-3pm.

"I wanted to continue the party on Saturday for those who are unable to attend on Friday night. All the photographers will be present during the show and as an extra added attraction, some photographer's models will also be there" Peter said.

In addition to over 400 erotic photographs for sale, book signings will be available from photographers who have authored books.

Due to the erotic content of the exhibition, gallery attendees must be at least 21 to enter. "I named the exhibit "ON THE EDGE", since many of the photos are going to be "on the edge", and there may be some photos that some viewers may find offensive. We'll have some explicit nude photos with bondage, fetish and kinky themes, but we'll also have the sensual and glamorous photos, too. It is going to be an exciting exhibition" said Peter.

The Artists Alley is a beautiful gallery conveniently located in downtown San Francisco between 4th & 5th St. with easy parking at the Mission St. Garage above the gallery, and access by BART and MUNI.
